

Abenteuer verbindet Kids – Die bunte Ferienwoche in Niedersachsen

Summer holiday activity for children

Dear Kids, Dear Parents, Dear Legal Guardians,

The LandesSportBund (short: LSB) is active all over Lower Saxony. It is an organisation for sports. This summer the LSB offers a special summer activity for children during the summer break. The activity is titled “Abenteuer verbindet Kids – die bunte Ferienwoche in Niedersachsen“, which translates to „Adventure connects kids – the colourful holiday week in Lower Saxony“. **The offer is free of charge. It is aimed at children between 6-12 years of age. It takes place during the week from August 23rd to August 27th.** This is how it works:

Every day the children meet up online for 1 ½ hours. They meet from 10 to 11:30 am. The meeting is held online via zoom. Co-workers of the “Koordinierungsstellen im und durch Sport” (short: KS) will assist the children online. The program is designed under the motto “treasure hunt”. Every day a short part of a weeklong story will be revealed. The children get together in small groups. Every small group does a daily workout together. Every group is assigned an advisor. The story contains small assignments every day that the children have to finish. The advisor reads the story to the children every day and explains the assignments. After that every child goes outside on their own and solves their tasks. Sometimes **they may need assistance from a chaperone (parent/legal guardian, older sibling or the like). Please supervise and help your child with assignments that may be too difficult to handle on their own. On Thursday, we plan to go to a public pool or bathing pond. Please under all circumstances, provide supervision for your child when bathing!**

Other assignments contain visits to the playground and outings into nature. There also will be little puzzles. Every day the children receive part of a treasure map. In the end of the week, the treasure map will be complete. For their complete map, the children receive a small price in the mail. As you can see, the week will be full of games, play and activity for the children.
